11 UNITED STATES OF AMERICA,

12 Plaintiff,

13 v.

14 JAMES L. CRISMON,

15 Defendants.

17

Case No. CR05-5594

18 THIS MATTER comes before the court on defendant's request to receive a federal detainer prior to
19 his scheduled release from state custody. The court has considered the materials submitted by defendant as
20 well as the response filed by the government.
21

22 It appears the government received a detainer from the United States Marshal on December 5, 2005.
23 Pursuant to Public Law No. 91-538, 84 Stat.1397 (1970) the government has until June 5, 2006 (180 days)
24 to bring the defendant to court to answer to the pending eight count misdemeanor information.

25 **Accordingly, the defendant's request for execution of a detainer is denied at this time. The order**
26 **is without prejudice.**

27 December 30, 2005
